POWDER COATING

ADVANTAGES

- Competitive prices
- Raw material sourced from highly reputed suppliers
- Experienced workers

PRODUCTION TYPE

- Semi automatic

NO.OF PRODUCTION LINE

- one

PRODUCTION CAPACITY

- as per customer requirement

OVEN SIZE

- 10*5*6feet

PRODUCT SIZE

- upto 3 metres

PRODUCT RANGE

1.POWDER COATING[all shades available]

- epoxy polyester glossy
- epoxy matt finish
- structure colour
- satin finish
- antique and metallic finish
- wrinkle finish

2.PHOSPHATING [PROCESS FOLLOWED]

- degreasing, Rinsing , Pickling, Rinsing, Activation , Phosphating, Rinsing ,Passivation

3.ALUMINIUM PRE PROCESS

- Ether
- Rinsing
- Al chrome dip
- Rinsing
